ChemWorld Eco 186

Environmentally 'Green' General Purpose Cleaner

ChemWorld Eco 186 is an environmentally green general cleaner and temporary emulsifier for greasy, oily soils on any hard surfaces not affected by water. ChemWorld Eco 186 is effective in both hard and soft waters, is completely free rinsing, and is chelant-free for strict environmental compliance. ChemWorld Eco 186 contains a touch of added citrus and potash to lift and disperse soluble and oxidized oils, greases, and paraffin based lubricants for easy rinsing. ChemWorld Eco 186 is silicate-free and very free-rinsing from wall, floors, equipment, and light fixtures. ChemWorld Eco 186 was formulated as a biodegradable replacement for high-solvent containing products, such as Simple Green®, plus the additional benefit of ZERO SARA 313 reportable components!

- * Biodegradable and Green Heavy Duty Multi-Surface Cleaner
- * Formulated for Floor Scrubbers, Mop Buckets, Hand-Wipe, and Pressure-Wash Operations.
- * Completely Free-Rinsing, Non-Streaking, and does not contain Silicates or Chelants.

PHYSICAL PROPERTIES

pH (Concentrate)	<12.9
pH (1% BV)	10.0 - 11.0
Specific Gravity	1.04
Color	Clear purple
Odor	Odor citrus.
Rinsing	Free and complete
Foam:	Low to moderate (Very low above 130°F)
HMIS Rating:	2,0,0

APPLICATIONS DILUTION RATIO

		<u>% BV</u>
Floor Scrubbing Machines	Dilution Range	2.0 – 10.0%
Multi Surface	Light Soils Dilution	2.0 – 5.0%
Medium Soils Dilution Ratio	5.0 – 15.0%	
Heavy Soils Dilution	20.0%	

Apply ChemWorld Eco 186 with automatic scrubber, mop and bucket, high pressure wand, low-pressure garden sprayer, spray bottle, or by cloth with gloved hand. With manual cleaning, let soak for up to 5-minutes for optimum results, than rinse thoroughly with water. To remove stubborn built-up soils, scrub with a stiff bristled brush, scrubbing machine or pressure sprayer prior to rinsing.

PRECAUTION: Solutions are eye and skin irritants, and prolonged or repeated contact may cause irritation. Mists are irritating to the skin, mucous membranes, and upper respiratory tract. Read the entire SDS for a more thorough evaluation of the hazards.
